When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurers or insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those insurers we deal with regularly.

Product Disclosure Statement

If we offer to arrange the issue of an insurance policy to you, we will also provide you with, or pass on to you, a product disclosure statement (PDS), unless you already have an up to date PDS. The PDS will contain information about the particular policy which will enable you to make an informed decision about purchasing that product.

inform us about changes in your circumstances, at the time of any scheduled status review or upon renewal of your insurances.

Contractual Liability and your insurance cover

Many commercial or business contracts contain clauses dealing with your liability (including indemnities or hold harmless clauses). Such clauses may entitle your insurers to reduce cover, or in some cases, refuse to indemnify you at all. You should seek legal advice before signing and accepting contracts. You should inform us of any clauses of this nature before you enter into them.

What information do you maintain in my file and can I examine my file?

We maintain a record of your personal profile, including details of insurance policies that we arrange or issue for you. We may also maintain records of any recommendations or advice given to you. We will retain this FSG and any other FSG given to you as well as any SOA or PDS that we give or pass on to you for the period required by law.

We are committed to implementing and promoting a privacy policy, which will ensure the privacy and security of your personal information. A copy of our privacy policy is available on request. A copy is also available on our website, www.iibrokers.com.au. If you wish to look at your file, please ask us. We will make arrangements for you to do so.

How will I pay for the services provided?

For each insurance product the insurer will charge a premium that includes any relevant taxes, charges and levies. We often receive a payment based on a percentage of this premium (excluding relevant taxes, charges and levies) called commission, which is paid to us by the insurers. However, in some cases we will also charge you a fee. These will all be shown on the invoice that we send you. You can choose to pay by any of the payment methods set out in the invoice. You are required to pay us within the time set out on the invoice.

If there is a refund or reduction of your premium as a result of a cancellation or alteration to a policy, or based on a term of your policy (such as a premium adjustment provision), we will retain any fee we have charged you. We will also retain commission depending on our arrangements with the insurer, or charge you a cancellation fee equal to the reduction in our commission.

When you pay us your premium it will be banked into our trust account. We retain the commission from the premium you pay us and remit the balance to the insurer in accordance with our arrangements with the insurer. We will earn interest on the premium

while it is in our trust account, or we may invest the premium and earn a return. We will retain any interest or return on investment earned on the premium.

How are any commissions, fees or other benefits calculated for providing the financial services?

Our commission will be calculated based on the following formula: $X = Y\% \times P$

In this formula:

X = our commission

$Y\%$ = the percentage commission paid to us by the insurer. Our commission varies between 7.5% and 30%.

P = The amount you pay for any insurance policy (less any government fees or charges included in that amount).

Any fees that we charge you will be shown on our Tax Invoice.

Occasionally we pay any commissions, fees or benefits to others who refer you to us or refer us to an insurer. If we do, we will pay commissions to those people out of our commission or fees (not in addition to those amounts), in the range of 7.5% to 30% of our commission or fees.

Our employees that will assist you with your insurance needs will be paid a market salary. They may receive commissions, fees, and benefits in accordance with the paragraph above.

Our Employees may also be paid a bonus on an annual basis however this is not tied to specific placements but is a discretionary payment depending on performance of the business as a whole.

If we give you personal advice, we will inform you of any fees, commission or other payments we, our associates or anyone referring you to us (or us to any insurer) will receive in relation to the policies that are the subject of the advice.

International Insurance Brokers Pty Ltd is a Steadfast Group Limited (Steadfast) Network Broker. As a Steadfast Network Broker we have access to services including model operating and compliance tools, procedures, manuals and training, legal, technical, HR, contractual liability advice and assistance, group insurance arrangements, product comparison and placement support, claims support, group purchasing arrangements and broker support services. These services are either funded by Steadfast, subsidised by Steadfast, or available exclusively to Steadfast Network Brokers for a fee.

- Steadfast has arrangements with some insurers and premium funders (Partners) under which the Partners pay Steadfast a fee to access strategic and technological support and the Steadfast Broker Network. Steadfast is also a shareholder of some Partners.

-

We may receive a proportion of any commission paid to Steadfast by its Partners at the end of each financial year (or other agreed period).

You can obtain a copy of Steadfast's FSG at www.steadfast.com.au

If we arrange premium funding for you, we may be paid a commission by the premium funder. We may also charge you a fee (or both). The commission that we are paid by the premium funder is usually calculated as a percentage of your insurance premium (including government fees or charges). If you instruct us to arrange or issue a product, this is when we become entitled to the commission.

Our commission rates for premium funding are in the range of 0% to 2% of funded premium. When we arrange premium funding for you, you can ask us what commission rates we are paid for that funding arrangement compared to the other arrangements that were available to you.

The AFSL held by International Insurance Brokers Pty Ltd permits us to deal in miscellaneous risk products.

When International Insurance Brokers Pty Ltd use these products, we may receive a marketing fee in addition to our service fees. These fees are not refundable.
